

# General Services Administration (GSA) Alliant 2

## Contract benefits:

With GSA's Alliant 2 contract, government agencies can obtain a single source of integrated IT services and access to best-in-class private sector IT services. It's broad array of features and benefits include:

- Allows long-term planning on large-scale programs
- Provides flexibility and support of all contract types (fixed- price, cost reimbursement, labor-hour and time-and- material)
- Adheres to pre-competed and streamlined ordering procedures
- Accommodates federal guidelines regarding enterprise architecture and other IT compliance standards and protocols
- Requires top secret facility clearances for awardees
- As a Best-in-Class contract, Alliant 2 is designated by the Office of Management and Budget as a preferred government-wide solution.

## Contract overview

Alliant 2, GSA's premier enterprise GWAC, provides flexible access to customized IT solutions from a large, diverse pool of industry partners with a \$75-billion program ceiling and a five-year base period with one five-year option. The scope of the Alliant 2 GWAC includes any and all components of an integrated IT solution, such as all current technologies and any new technologies that may emerge during the lifecycle of the contract, as well as IT systems and services in support of National Security Systems, as defined in FAR 39.002.

The primary Alliant 2 support areas include:

- Back-office Services
- Business Analytical Services
- Business Asset Services
- Business Management
- Component Framework
- Controls and Oversight
- Customer Service
- DoDEA Mission Area Support
- Planning and Resource Allocation
- Process Automation
- Regulatory Development
- Risk Management and Mitigation
- Service Access Delivery
- Service Interface and Integration
- Service Platform and Infrastructure
- Support Services (Security, Systems and Forms Management, Communications)
- System and Network Controls

### How to place Task Orders

The customer agency defines requirements for the Task Order Request (TOR). There are two ways task orders can be placed under Alliant 2.

- **Direct acquisition:** GSA issues a Delegation of Procurement Authority to the customer agency Ordering Contracting Officer (OCO) who performs the acquisition.
- **Assisted acquisition:** GSA performs the acquisition on behalf of the customer agency and provides post-award support, as negotiated with the customer. An Inter-Agency Agreement is required.

The GSA Alliant 2 PMO team is available to provide complimentary scope reviews, Alliant 2 training and assistance to users upon request. Visit [gsa.gov/Alliant2](https://gsa.gov/Alliant2) for more information.
